

END THE USE OF THE DEATH PENALTY

Dear Senator:

As a firm believer in the dignity and sanctity of life, I urge you to support repeal of the death penalty in Utah.

The Golden Rule reminds us of our responsibility to protect and defend human life at every stage of its development. With Pope Francis, I am convinced that repeal is necessary, since every life is sacred, every human person is endowed with an inalienable dignity, and society can only benefit from the rehabilitation of those convicted of crimes.

Utah is capable of protecting public safety without taking life. Please vote to repeal this unnecessary punishment. The death penalty does little more than force families to relive the crime for decades and it fails to give perpetrators their opportunity to reconcile with their God.

Sincerely,
